

**“Impact for the Girl Guides and Girl Scouts is all about bringing positive change”!**

**World Thinking Day 2018** is completing this triennium theme Connect-Grow-Impact, by celebrating the Impact that the Movement has on the lives of our members and their communities! Look up more information at <https://www.waggs.org/en/our-world/>. What impact will each girl scout make this upcoming year?

**HOST A COUNTRY!** Plan your space with a table, mat or other creative ideas. We recommend having your troop vote for the country they will represent. Research the country and have the girls decide what they think is important and want to share with others. Teach a song, play a game, provide sample food, share facts, etc. For more ideas online visit [www.wags.org/en/our-world/](http://www.wags.org/en/our-world/).

**Calling all Tourists!** We understand with cookie season things are busy, but this is one event you don't want to miss. Come explore our countries and get a taste of the world if you are unable to host a country. Lots of fun is in the plan!!
